

Amazing Thailand

Thailand

Thailand's beaches are mythical: tall palms angle over pearlescent sand, coral gardens flourish in the shallow seas and beach parties are liberally lubricated with alcohol and fun. With a long coastline (well, actually, two coastlines) and jungle-topped islands anchored in azure waters, Thailand is a tropical getaway for the hedonist and the hermit, the prince and the pauper. And in between the kissing cousins of sea and sky are dramatic limestone mountains standing sentinel. This paradise offers a varied menu of playing in the gentle surf of Bang Saphan Yai, diving with whale sharks in Ko Tao, scaling the sea cliffs of Krabi, learning to kiteboard in Hua Hin, recuperating at a health resort in Ko Samui and feasting on the beach wherever sand meets sea.

Pattaya

Pattaya's name was originally "Thap Phraya", meaning Army of the Phraya. The three kilometres long Pattaya Beach runs along the city centre. The beach is full of life with hotels, restaurants, shopping malls all along the road facing the beach. The street south of Beach Road, Walking Street, comes alive with rock music as the night sets in. People throng the street to experience the night life, which is unique in all respects. There are hundreds of beer bars, go-go bars, discotheques around the area.

Bangkok

It is one of Asia's most cosmopolitan cities with magnificent temples and palaces, authentic canals, busy markets and a vibrant nightlife that has something for everyone. Bangkok is a tropical metropolis that is also one of the most traveller-friendly cities in Asia. Thai cuisine is justifiably famous, varied, and affordable. Bangkok for many represents the quintessential Asian capital. Saffron-robed monks, garish neon signs, graceful Thai architecture, spicy dishes, colourful markets, traffic jams and the tropical climate come together in a happy coincidence. It is difficult to leave with lukewarm impressions of the city.
